

SUMMER LECTURES
IN MOLECULAR BIOLOGY
AND BIOINFORMATICS

1-12 July, 2024

CERTIFICATE

This is to certify that

**Danila
Biktimirov**

participated in the Summer Lectures 2024
in molecular biology and bioinformatics

Has successfully completed online-program
in 18 hours in the following disciplines:

Introduction to molecular biology

Sequencing technologies and data analysis

NGS-data clinical interpretation

Omics data analysis: metagenomics and proteomics

Oncology bioinformatics

Regulatory genomics and motifs search

Molecular modeling basics

3D genomics

Phylogenetics

Head of the program

Artem Ivanov
